

As March is National Women's History Month, we here at Growth in Motion studios are excited to celebrate the *Generations of Women Moving History Forward*. With such pioneers as Susan B. Anthony, Mother Frances Schevier, Harriet Tubman, Bella Abzug and Hillary Clinton, there is much cause for revelry at this time and throughout the year.

Our very own Fanchon bat Lillian Shur is a pioneer of her own.

In 1990, she was inducted into Ohio Women's Hall of Fame in the Arts, Music and Journalism category for her almost thirty years of choreographically moving Cincinnati history forward. Be sure to ask her about the induction ceremony next time you visit; it was a riot of a good time!

During this month of remembrance and celebration, we welcome all people to join us as we continue to move our human history forward.

Pure Movement Schedule

Monday 6:30p to 8:00p

Wednesday 9:30a to 11:00a

\$20 per class or
